The request can be made through email, provided, that the requesting party shall attach in the email a scanned copy of the FOI application request, and a copy of a duly recognized government ID with photo.

7.1 (b) In case the requesting party is unable to make a written request, because of illiteracy or due to being a person with disability, he or she may make an oral request, and the FRO shall reduce it in writing.

7.1 (c) The request shall be stamped received by the FRO, indicating the date and time of the receipt of the written request, and the name, rank, title and position of the public officer who actually received it, with a corresponding signature and a copy, furnished to the requesting party. In case of email requests, the email shall be printed out and shall follow the procedure mentioned above, and be acknowledged by electronic mail. The FRO shall input

the details of the request on the Request Tracking System and allocate a reference number.

7.1 (d) The UNIVERSITY must respond to requests promptly, within the **fifteenth (15) working days** following the date of receipt of the request. A working day is any day other than a Saturday, Sunday or a day, which is declared a national public holiday in the Philippines. In computing for the period, Art. 13 of the New Civil Code shall be observed.

The **date of receipt** of the request will be either:

a. The day on which the request is actually, physically or electronically delivered to the UNIVERSITY; or

b. If the UNIVERSITY has asked the requesting party for further details to properly identify the requested information, the date of receipt will be on the day the clarification is received.

An exception to this will be where the request has been emailed to an absent member of staff, and this has generated an 'out of office' message with instructions on how to re-direct the message to another contact. Where this is the case, the date of receipt will be the day the request arrives in the inbox of that contact.

Should the requested information need further details to identify or locate, then the 15 working days will commence the day after it receives the required **clarification** from the requesting party.

7.2 Initial Evaluation. After receipt of the request for information, the FRO shall evaluate the contents of the request.

7.3 Request relating to more than one office under the UNIVERSITY. If a request for information is received which requires to be complied with, of different Divisions of the UNIVERSITY, the FRO shall forward such request to the Divisions concerned and ensure that it is well coordinated and monitor its compliance.

7.4 Information is not in the custody of the UNIVERSITY. If the requested information is not in the custody of the UNIVERSITY, following referral and discussions with the FDM, the FRO shall undertake the following steps:

If the records requested refer to another department, the request will be immediately transferred to such appropriate department through the most

expeditious manner and the transferring office must inform the requesting party that the information is not held within the 15 working day limit. The 15 working day requirement for the receiving office commences the day after it receives the request.

If the records refer to an office not within the coverage of E.O. No. 2, the requesting party shall be advised accordingly and provided with the contact details of that office, if known.

7.5 Requested information already available in UNIVERSITY website. Should the information being requested is already posted and publicly available in the UNIVERSITY website, data.gov. ph or foi.gov.ph, the FRO shall inform the requesting party of the said fact and provide them the website link where the information is posted.

7.6 Similar or Identical request for information. Should the requested information be substantially similar or identical to a previous request by the same requester, the request shall be denied. However, the FRO shall inform the applicant of the reason of such denial.

7.7 Transmittal from FRO to Decision Maker. After receipt of the request for information, the FRO shall evaluate the information being requested, and notify the FDM of such request. The copy of the request shall be forwarded to such FDM within one (1) day from receipt of the written request. The FRO shall record the date, time and name of the FDM who received the request in a record book with the corresponding signature of acknowledgement of receipt of the request.

7.8 Role of Decision Maker in processing the Freedom of Information Request. Upon receipt of the request for information from the FRO, the FDM shall assess and clarify the request if necessary. He or she shall make all necessary steps to locate and retrieve the information requested. The FDM shall ensure that the complete information requested be submitted to the FRO within 10 days upon receipt of such request.

The FRO shall note the date and time of receipt of the information from the FDM and report to the UNIVERSITY President, in case the submission is beyond the 10-day period. If the FDM needs further details to identify or locate the information, he shall, through the FRO, seek clarification from the requesting party. The **clarification** shall stop the running of the 15 working day period and will commence the day after it receives the required clarification from the requesting party.

If the FDM determines that a record contains information of interest to another office, the FDM shall consult with the agency concerned on the disclosability of the records before making any final determination.

7.9 Role of FRO to transmit the Information. Upon receipt of the requested information from the FDM, the FRO shall collate and ensure that the information is complete. He shall attach a cover/transmittal letter signed by the UNIVERSITY President concerned and ensure the transmittal of such to the requesting party within 15 working days upon receipt of the request for information.

7.10 Extension of Time. If the information requested requires extensive search of the government's office records facilities, examination of voluminous records, the **occurrence** of fortuitous events or other analogous cases, the FDM should inform the FRO.

The FRO shall inform the requesting party of the extension, setting forth the reasons for such extension. **In no case shall the extension exceed twenty (20) working days on top of the mandated fifteen (15) working days** to act on the request, unless exceptional circumstances warrant a longer period.

8. Giving notice to the requesting party of the decision. Once the DM approved or denied the request, he shall immediately notify the FRO who shall prepare the response to the requesting party either in writing or by email. All actions on FOI requests, whether approval or denial, shall pass through the UNIVERSITY President for final approval.

9. Approval of Request. In case of approval, the FRO shall ensure that all records that have been retrieved and considered be checked for possible exemptions, prior to actual release. The FRO shall prepare the letter or email informing the requesting party within the prescribed period that the request was granted and be directed to pay the applicable fees, if any.

10. Denial of Request. In case of denial of the request wholly or partially, the FRO shall, within the prescribed period, notify the requesting party of the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request to information. All denials on FOI requests shall pass through the Office of the President.

11. **Remedies in Case of Denial of Request.** A person whose request for access to information has been denied may avail himself of the remedy set forth below:

11.1 Administrative FOI Appeal to the UNIVERSITY's Central Appeals and Review Committee: Provided, that the written appeal must be filed by the same requesting party within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.

a. Denial of the Appeal by the UNIVERSITY may be appealed by filing a written appeal to the DOLE Central Appeals and Review Committee within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.

b. The appeal shall be decided by the DOLE Secretary upon the recommendation of the DOLE Central Appeals and Review Committee within thirty (30) working days from the filing of said written appeal. Failure to decide within the 30-day period shall be deemed a denial of the appeal.

c. The denial of the Appeal by the DEPARTMENT Secretary or the lapse of the period to respond to the request may be Appealed further to the Office of the President under Administrative Order No. 22, s. 2011.

11.2 Judicial Action. Upon exhaustion of administrative FOI appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

12. **Request Tracking system.** The UNIVERSITY shall establish a system to trace the status of all requests for information received by it, which may be paper-based, on-line or both.

13. **Fees**

13.1 **No Request Fee.** The UNIVERSITY shall not charge any fee for accepting requests for access to information.

13.2 **Reasonable Cost of Reproduction and Copying of the Information:** The FRO shall immediately notify the requesting party in case there shall be a reproduction and copying fee in order to provide the information. Such fee shall be the

actual amount spent by the UNIVERSITY in providing the information to the requesting party. The schedule of fees, if any, shall be posted by the UNIVERSITY.

13.3 Exemption from Fees: The UNIVERSITY may exempt any requesting party from payment of the abovementioned fees, upon request stating the valid reason why such requesting party shall not pay the fee.

and
- c. 3rd Offense - Dismissal from the service.
